## ANNUAL CONTRIBUTION LEVELS

The Lowndes Education Improvement Foundation (LEIF), is a non-profit, community based organization dedicated to promoting excellence in education. We achieve this by developing and sustaining financial support from the private sector to benefit the students and teachers of the Lowndes County School System.

LEIF's goal is to aid our public school system by utilizing tax-deductible funds to provide improved educational opportunities for our school children. LEIF is a 501(c)(3) organization.

All donors are recognized at the annual LEIF Banquet. Contributions of \$250 or more earn a leaf in the Feazell Giving Tree. The Feazell Giving Tree is beautifully crafted by students in the LHS Career, Technical and Agricultural Education (CTAE) Department, and is displayed in the entrance of the Board of Education Office. Leaves on the tree represent annual gifts to the Foundation in the following categories:

### **GOLD Sponsorship - \$1,000 & Above**

- Recognition as a Gold Level contributor in the program
- Dinner for 4 at the banquet
- Gold Oak Leaf on the Feazell Giving Tree at the Lowndes County Board of Education Office
- Sponsors at this level will also receive preferential seating at the banquet

### **SILVER Sponsorship - \$500 - \$999**

- Recognition as a Silver Level contributor in the program
- Dinner for 2 at the banquet
- Gold Oak Leaf on the Feazell Giving Tree at the Lowndes County Board of Education Office
- Sponsors at this level will also receive preferential seating at the banquet

### **BRONZE Sponsorship - \$250 - \$499**

Purchasing a LEIF is a great way to advertise your business or honor or memorialize a loved one. A contribution may be made “In Honor of” or “In Memory of” for those donations in excess of \$250.

All proceeds will be used by LEIF to improve education in Lowndes County Schools. Please make all checks payable to LEIF or “Donate Now” by visiting us online at [www.leif-foundation.org](http://www.leif-foundation.org).
